

Riesling!

2020 Felsenberg Riesling GG – Schlossböckelheim

VDP.GROSSES GEWÄCHS

Our 2020 “Felsenberg GG” presents itself reductive with a unique individuality. Due to the spontaneous fermentation in oak vats, the bouquet offers multilayered aromas reminding of smoke and wax. On the palate, the wine presents an elegant structure with a vibrant acidity. The interaction of citric, fruity, and herbal aromas, which are typical for this vineyard, result in a very complex wine with a long finish. The 2020 “Felsenberg GG” has a great aging potential.

The “Felsenberg GG” is a variable food companion and works well with steamed, Mediterranean dishes or grilled food with roasted flavors.

Origin: Our Felsenberg vineyard is located near Schlossböckelheim. It is situated in between the left shore of the Nahe-River and rugged cliffs of volcanic melaphyre. Here, the valley widens and allows the evening sun to shine onto the steep slopes of this parcel. This warmth and the emerging fog in autumn lead to a greenhouse effect, which results in an extraordinary ripeness of the grapes and an elegant, fruity wine.

Classification VDP.GROSSES GEWÄCHS®	Alcohol 12,5 %
Sweetness Level Dry	Residual Sugar 1,6 g/l
Grape Variety Riesling	Acidity 7,4 g/l
Yield 30 hl/ha	Serving Temperature 8-12°C
Exposure South	Optimal Drinking Maturity Now – 2035
Soil Melaphyre	
Inclination Steep Slope	
Vinification Combination of Stainless Steel Tanks and Oak Vats
