

## Riesling!

### 2020 Just Riesling

VDP.GUTSWEIN

Juicy and animating! Our Just Riesling is created with captivating fruit aromas and harmonious acidity. A Riesling that does not deny its origins. Aromas of green apple and citrus with a slight minerality and herbal spiciness lead to a pleasant drinking flow. Youthful and uncomplicated it opens the doors to the Riesling world of Gut Hermannsberg.

The Just Riesling refreshes on the terrace and as a light aperitif, harmonizes with seasonal, light cuisine and invigorate carpaccio and ceviche as well as light pasta dishes and salads.

**Origin: The grapes for our Riesling originate from different vineyards, but predominantly from “Große Lagen”. Its fine aroma and minerality reflect the soil diversity of the different locations of origin more broadly.**
