Riesling!

2020 Weißer Burgunder

VDP.GUTSWEIN

Our Pinot Blanc cannot deny its origin - it reflects the soil diversity of the middle part of the river "Nahe". The versatility of this estate wine is already evident at the nose. It impresses with a combination of floral aromas and exotic fruits. It presents itself as long and slightly creamy, with distinct herbal notes and harmonious acidity. A lively wine enjoyment!

Our white Burgundy does not only cut a fine figure as a meal companion in the asparagus season, well chilled it is also a harmonious accompaniment to starters and fish dishes with vegetables and salads.

Origin: The grapes for our White Burgundy come from different vineyards, predominantly "Grosse Lagen". Its fine aroma and minerality reflect the diversity of the soil in the different locations of origin.
