## 2022 Bastei Traisen Riesling GG

VDP.GROSSES GEWÄCHS®

One of the most spectacular vineyard sites in the world: the Traiser Bastei. Like an amphitheater, the red rock encircles a small stage where only Riesling achieves such impressive results. The Bastei is the warmest of our seven sites, with ancient vines that penetrate deep into the hard rhyolite rock. A wine can hardly taste more mineral. So much flint and so many herbal aromas give it an unparalleled, deep complexity. The wine combines great tension with a warming richness. It is a true fireworks display, yet not overwhelming, but rather majestic. Taut, firm, juicy, smoky, spicy, and highly mineral with emphasis, depth, and tension.

**As a food pairing, we recommend Filet Wellington with bacon-wrapped green beans and potato gratin. But robust sauces or roasted dishes also pair excellently with the Bastei.**

**Origin:** The vineyards are located in front of the highest rock face north of the Alps. The vines root deeply in the rhyolite rubble and are constantly cooled by a breeze. The Red Rock Massif watches over the vines with its massive heat reservoir. During the day, temperatures are hot, and at night, they drop dramatically. The result is a spectacular wine from a spectacular site.
